

PROJECTS 2014

Post Formed Systems has over 35 years of manufacturing expertise and our reputation has been built on quality, service & flexibility.

In association with Armitage Shanks we are delighted to offer a comprehensive range of pre-plumbed assemblies for the Commercial Washroom Environment

- New Product 2015 "Proline" Bespoke metal frame section to IPS units
- Comprehensive collection of WC shower & toilet cubicles
- Coordinating defender service walls and duct systems
- Vanity units including solid surfacing
- Laminated furniture for schools & college applications
- Nationwide Demo Truck containing all Kingfisher washroom products

- **Healthcare**
- **Education**
- **Commercial**
- **Leisure**

Our Specification Manager would be delighted to demonstrate the full Kingfisher range of washroom products. To make an appointment email info@postformed.com or telephone 021 4877733
